RIDING INTO ANOTHER COUNTY?

Trail hot-line numbers are listed on the margins of this map for all adjacent counties.

WisDOT Park & Ride Lots in Dane County

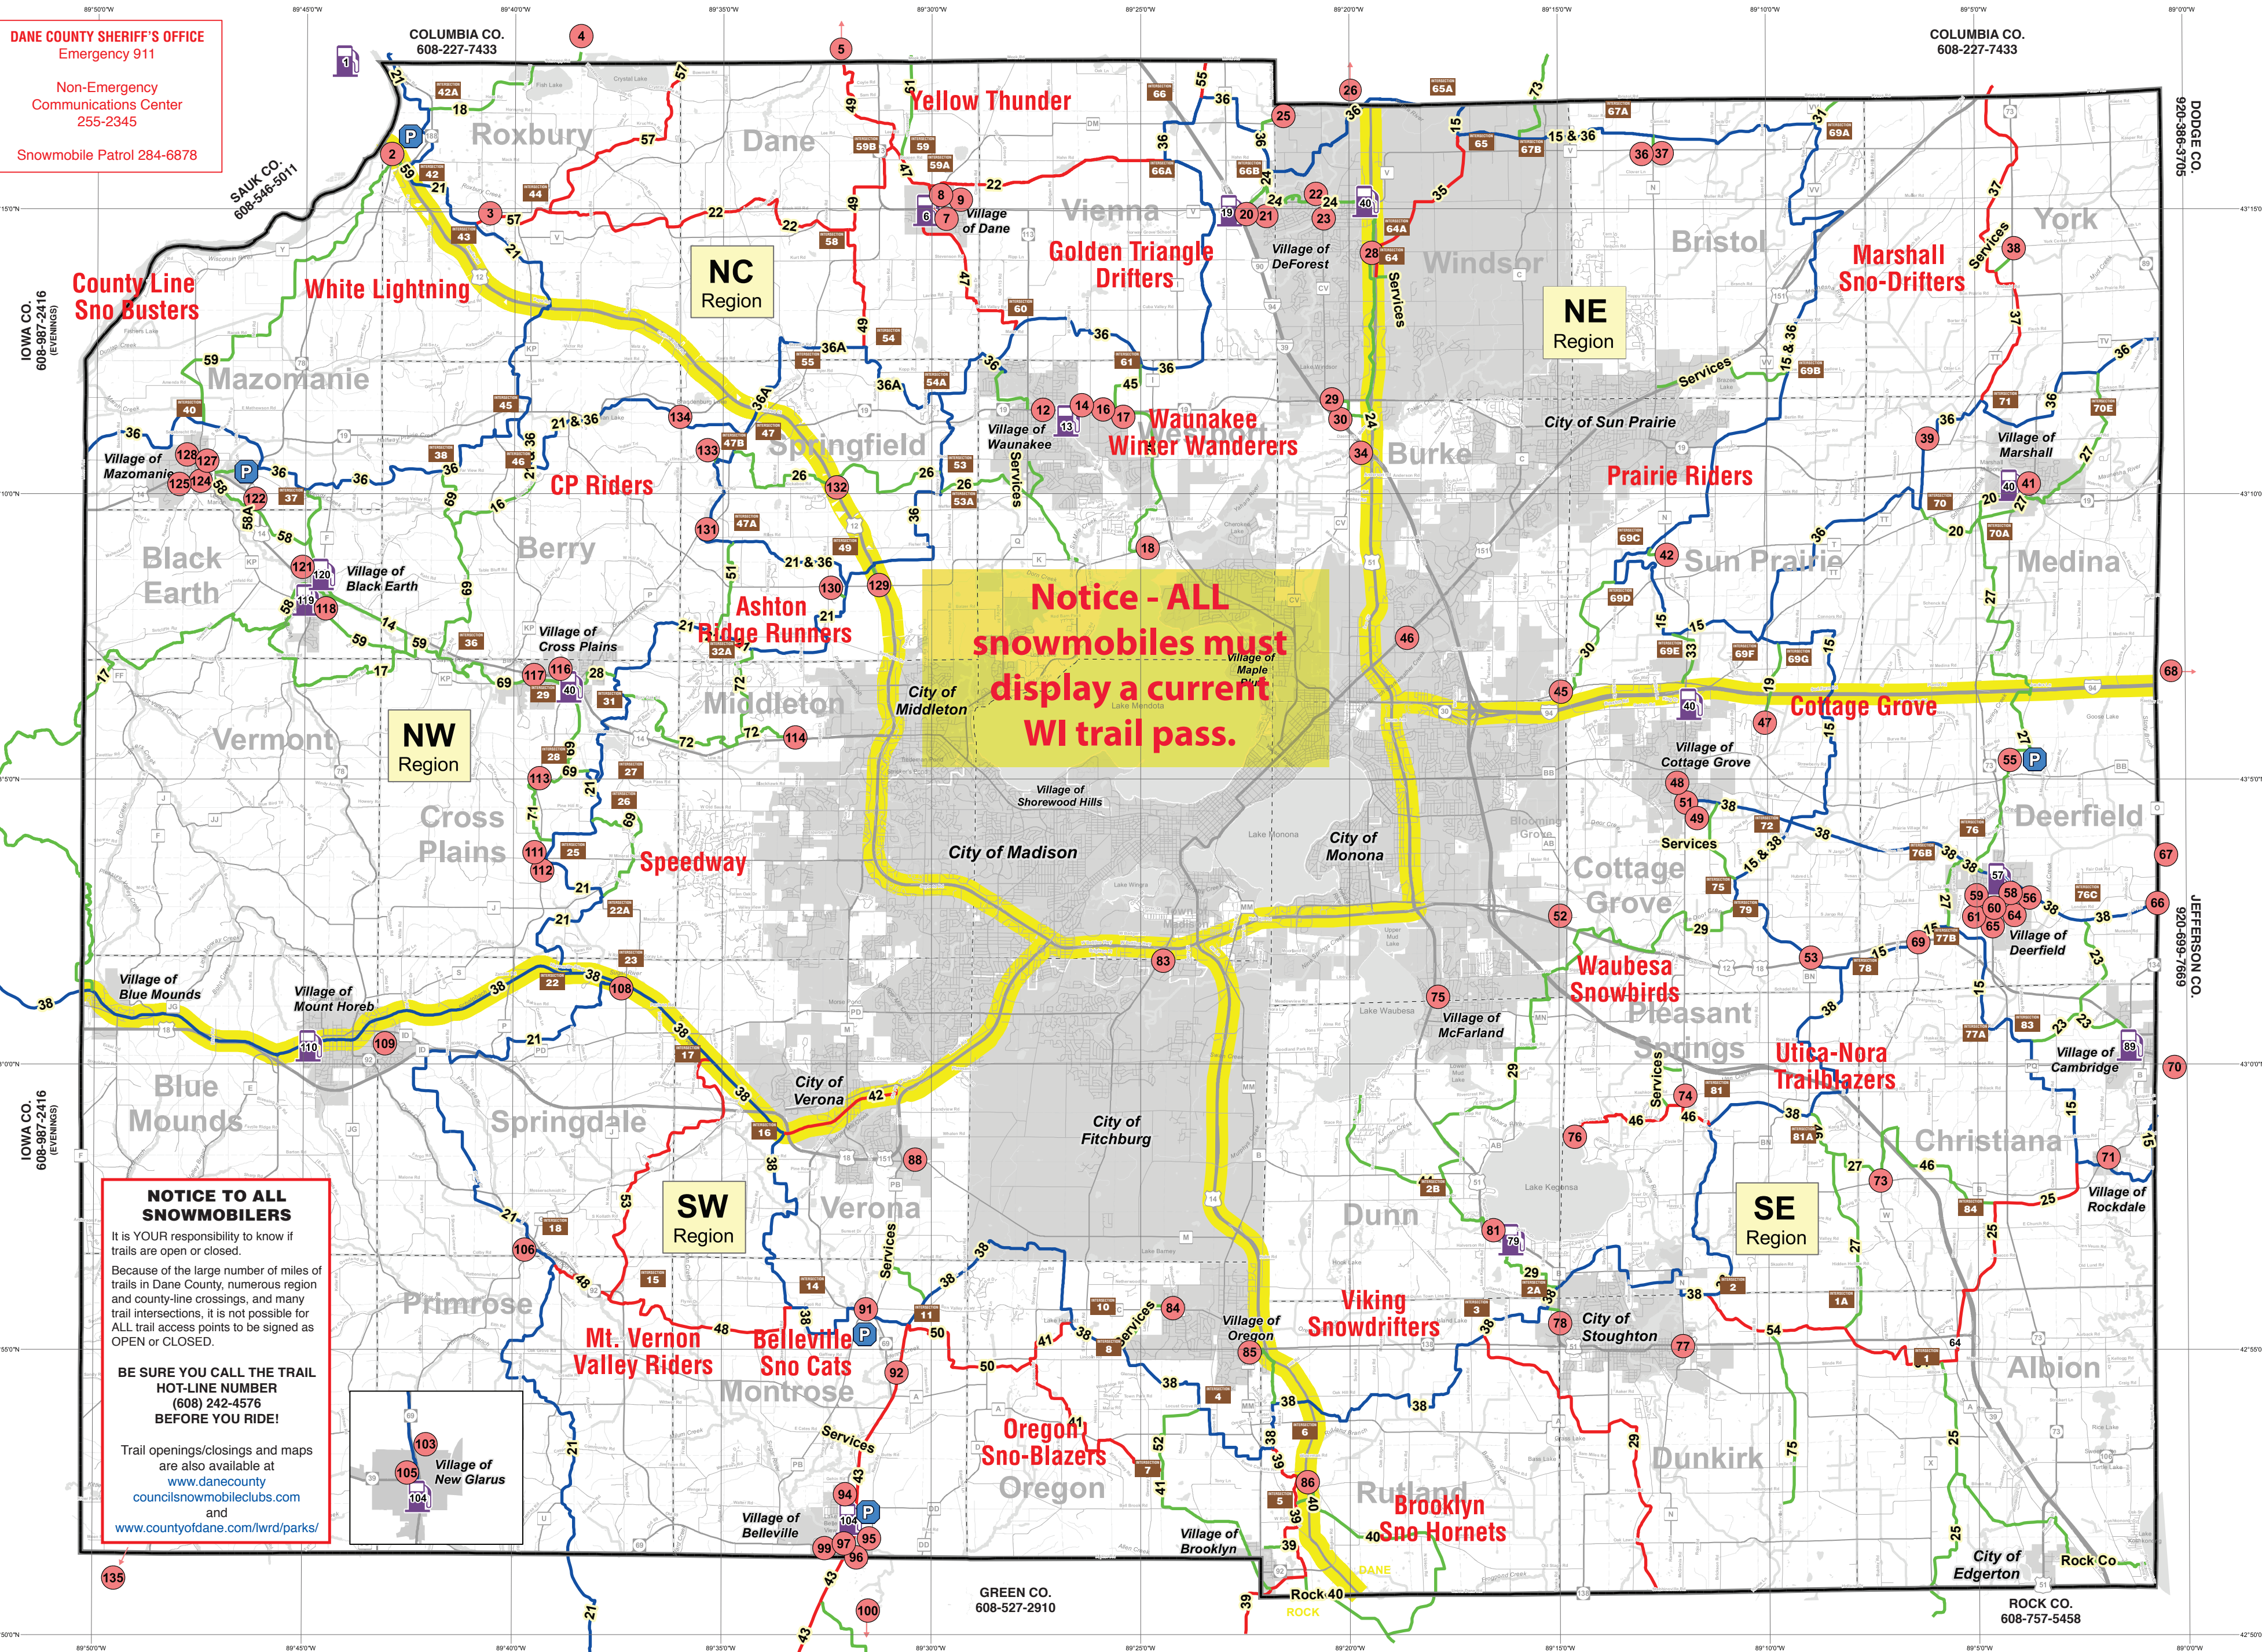

Dane County has several Wis DOT Park & Ride lots, and four are located with easy trail access. Wis DOT officials have informed us that usage of these lots by snowmobilers would be acceptable as long as the posted restrictions are followed. Specific restrictions for the lots can also be found at www.dot.wisconsin.gov/travel/parkride/index.htm. Snowmobilers should park their vehicles with due regard for available space and if a chosen lot is near full, please consider another location for parking. Park & Ride lots with nearby trail access are designated with this map symbol.

Other Park and Ride Locations
Many business places and other private/public locations are available for visiting snowmobilers to park, unload, and ride in Dane County. Please check some of the map ads or inquire locally for their locations.

NOTICE TO ALL SNOWMOBILERS

It is YOUR responsibility to know if trails are open or closed.

Because of the large number of miles of trails in Dane County, numerous region and county-line crossings, and many trail intersections, it is not possible for ALL trail access points to be signed as OPEN or CLOSED.

BE SURE YOU CALL THE TRAIL HOT-LINE NUMBER (608) 242-4576 BEFORE YOU RIDE!

Trail openings/closings and maps are also available at www.danecounty.councilsnowmobileclubs.com and www.countyofdane.com/twr/parks/
